

Commit to 5

Reclaiming the Biblical tradition of man and woman, one in Christ,
during the next 5 months I commit to:

- **Pray daily about what I have learned about gender equality**
- **Visit the CBE website to read one article and one recommended book on gender equality (www.cbeinternational.org)**
- **Attend or host a small group Bible study or book discussion group for further group exploration of gender equality**
- **Make one change in the way I speak about and participate in congregational worship**
- **Share my journey with at least one other person who I think will be blessed with the knowledge of gender equality**

**Commit to one or more ways to further gender equality,
or learn more about gender equality, over the next 5 months**

**We want to hear from you!
Tell us about your commitment.**

**If you want a mentor to study and pray with you, contact us.
